Railway Secretariat. C/ File No. 114 of 1922

Serial No.

The Hassan-Mangalore project has been under consideration for the last 26 years. -- Owing to the nature of the country and the heavy gradients it would be expensive to construct and the working expenses would be very high. Of the several estimates made Mr. Richards' is the most up to date and is probably the most accurate. He estimates that for a metre gauge line the 49 miles within the Mysore State would cost -- Rs.85,72,111; a 2 ft. 6 ins. gauge line would cost the State Rs.49,55,774--a considerable -- saving in first cost but the narrower gauge would mean increased working expenses and owing to the break of gauge would seriously diminish the value of the line. As the State is not in a position to find the heavy capital required and as the chances of the line paying are practically nil, it is impossible to give effect to Mr. Waddington's request.

Case 23/9/22

22 SEP 1922

From,- H.Waddington Esqr
Secretary
United Planters' Association
of Southern India- Coimbatore

To,- The Diwan and President in Council
MYSORE STATE
Mysore.

Sir,

THE HASSAN-MANGALORE RAILWAY

At the Annual General Meeting held last month in Bangalore the following resolution was passed and which I have the honour to forward for your consideration,-

" In view of the fact that the maximum usefulness of the Mysore
" Railway system and development of the state generally will neve
" be attained until direct communication from Hassan to Mangalore
" and the West Coast is established this Association once again
" urges the authorities concerned to construct this very neces-
" sary line as early as possible. "

I have the honour to be
Sir,
Your obedient Servant,

H. Waddington

Secretary

C.B. 114-22-2 4

No. 2256/C.B./Encl. Dt. 27/10/1922

To

H. Waddington, Esqr.,
Secretary, United Planters' Assn.,
of Southern India,
Coimbatore.

Sir,

In continuation of my letter, No.1451 C.B. dated Camp.Mysore 23rd September 1922, acknowledging receipt of your letter in the matter of the Hassan-Mangalore Railway Project, I am directed to forward herewith for your information, a copy of the Dewan's reply to the Addresses presented to him at the opening of the Representative Assembly at Mysore on the 2nd October 1922 containing the reply of Government to a similar request of the South Mysore Planters' Association ~~in the matter of the Hassan Mangalore Railway project~~ A copy of the Dewan's Address ~~to the Assembly~~ referred to in the same would ~~be found in the~~ accompanying this.

2. It is seen from estimates prepared which are the most up to date & accurate by Mr. Richards that ~~for~~ a Metre Gauge line, of 49 miles within the Mysore State would cost Rs.85.72 lakhs and for a 2 ft.6" Gauge line the cost would be Rs.49.56 lakhs. The State is not in a position at present to find the heavy capital required, particularly as the chances of the line paying are reported to be practically nil.

In these circumstances, I am directed to state ~~that~~ that His Highness' Government regret they cannot hold out any prospects of the Hassan Mangalore Railway project being taken up by them ~~early~~ in the near future.

I have &c.,

Chief Secretary.
